Author's Comments:

'These books are made to improve the quality of learning at a younger age to read. For those that donated and barter with me, they donated and bartered for the better understanding of helping another learn to read either at a youthful age, disability or learning to read the English language to be bi-lingual. '

'Acknowledgments are noted to you in these books to let the public know that there are people that care especially in these updated times of a lower economic station state in the United States- THERE ARE PEOPLE OUT THERE THAT STILL CARE!'
'God Bless Them And You!'

-Carol Lee Brunk, Author and Educator
