Will you **pray** with me?

Dedicated

To a young girl that will grow in the whisper of the wind, arms that hold gather the wrap of the comfort of God, a mother's arms will hold you again. For the wrap of the comfort of God has already wrapped you with your mother's arms. God holds you though she may not be of earth bound. She watches with God from the staircase of heaven. She never left. She waits. Prays back to you to know she's there. Love Never Left It Still Holds You! God still holds you!

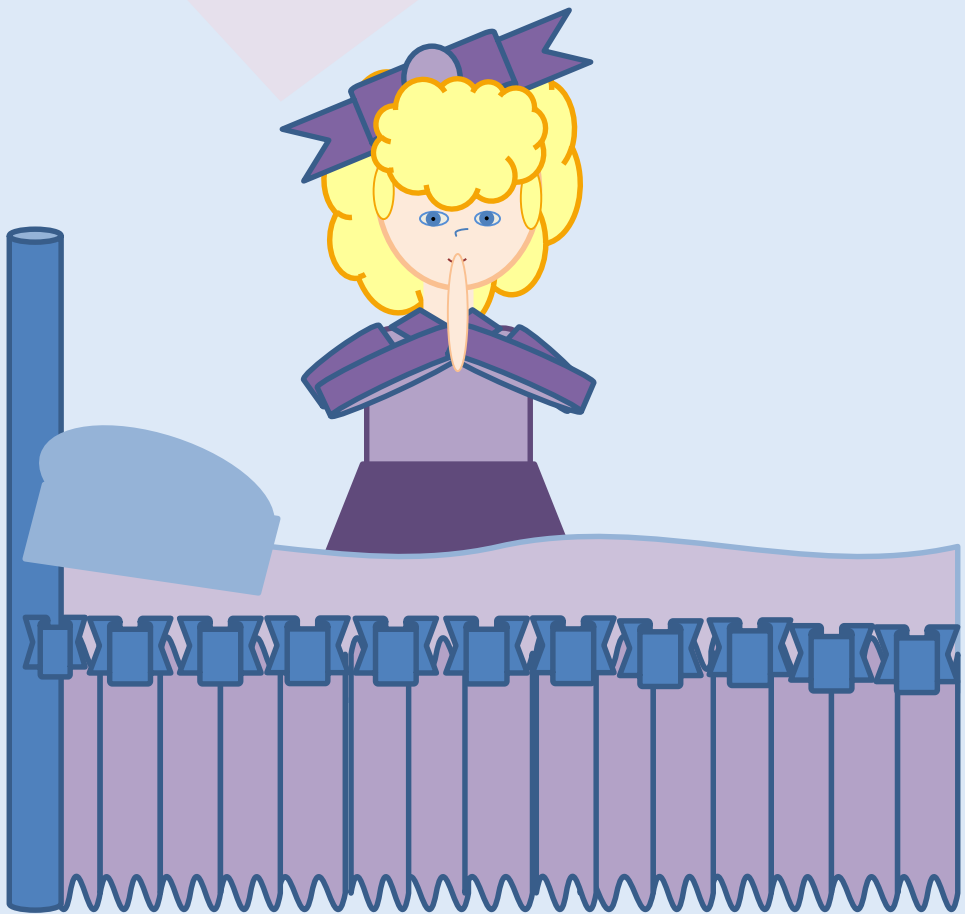

Will you **pray** with me?

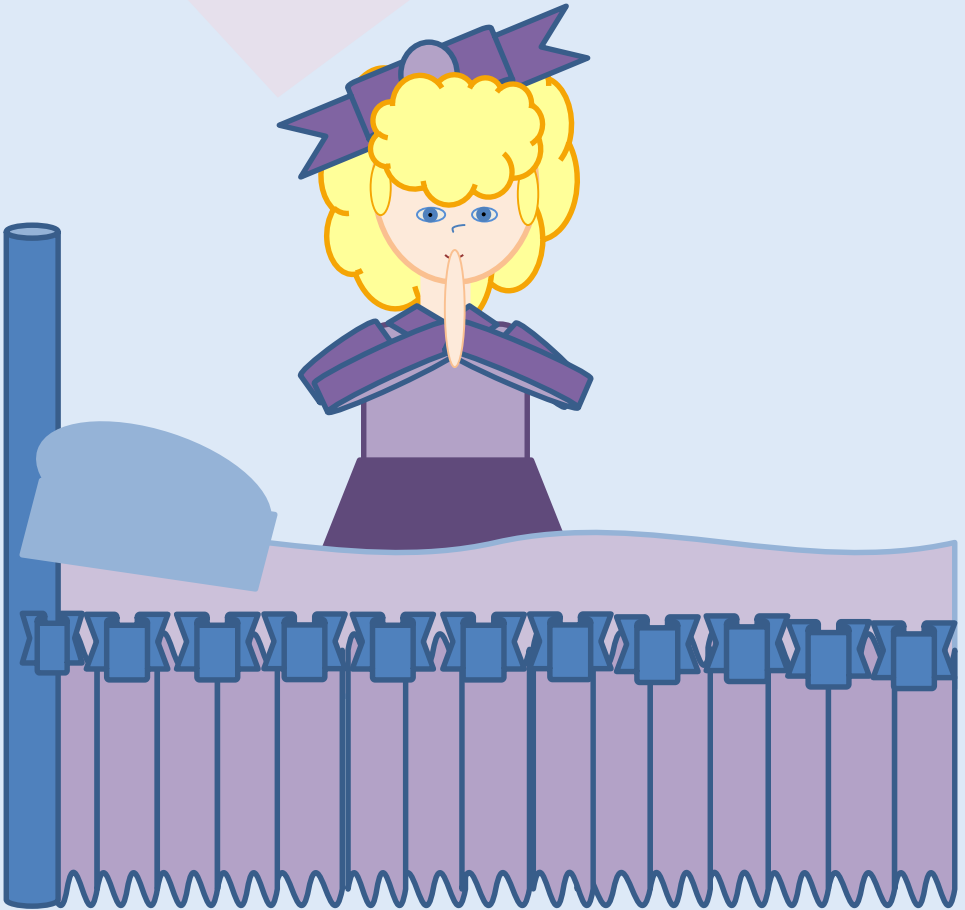

Will you **pray** with me.~

Kneel beside the bed with me.
Press your hands together
and bow your head with me.

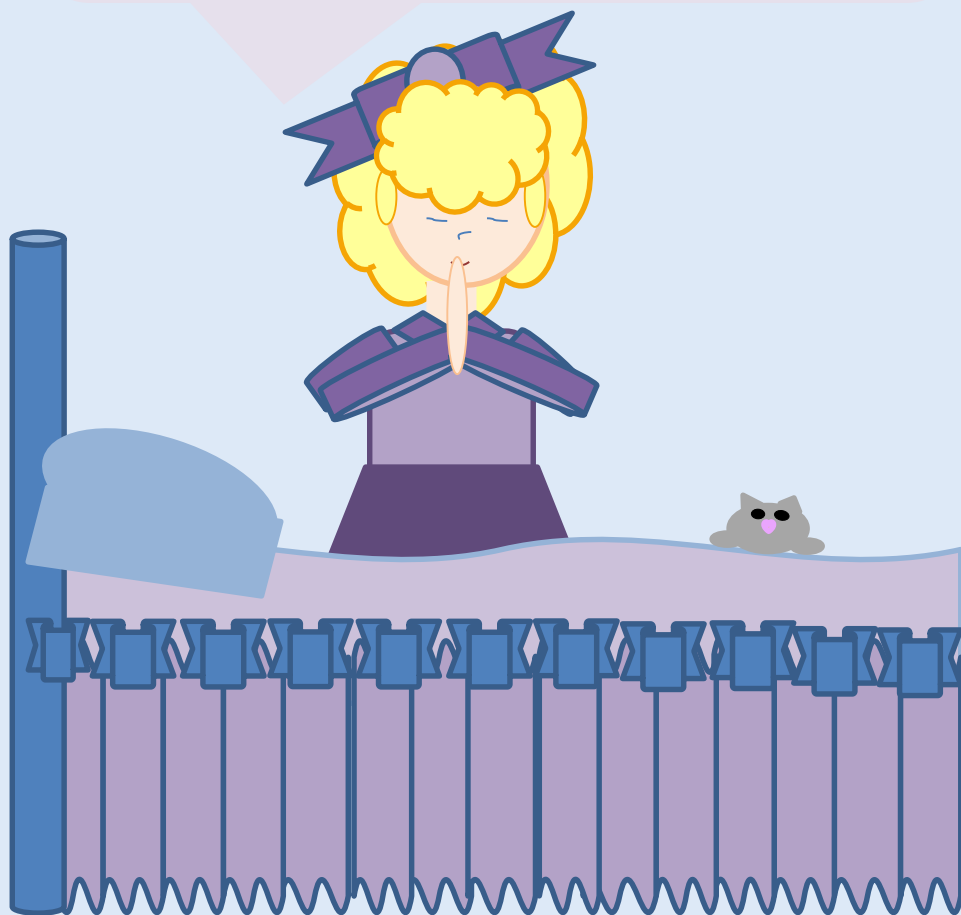

Will you **pray** with me.~

And close our eyes together.

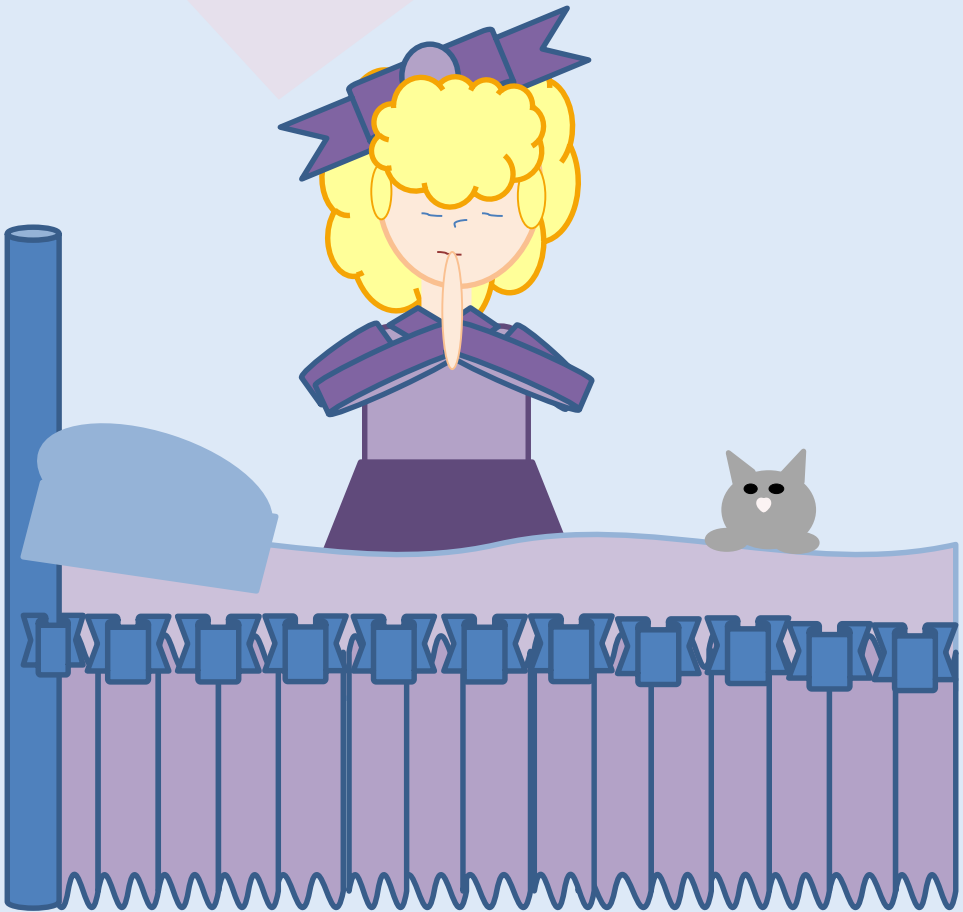

Will you **pray** with me.~

Then start our prayer with
Thank you God.

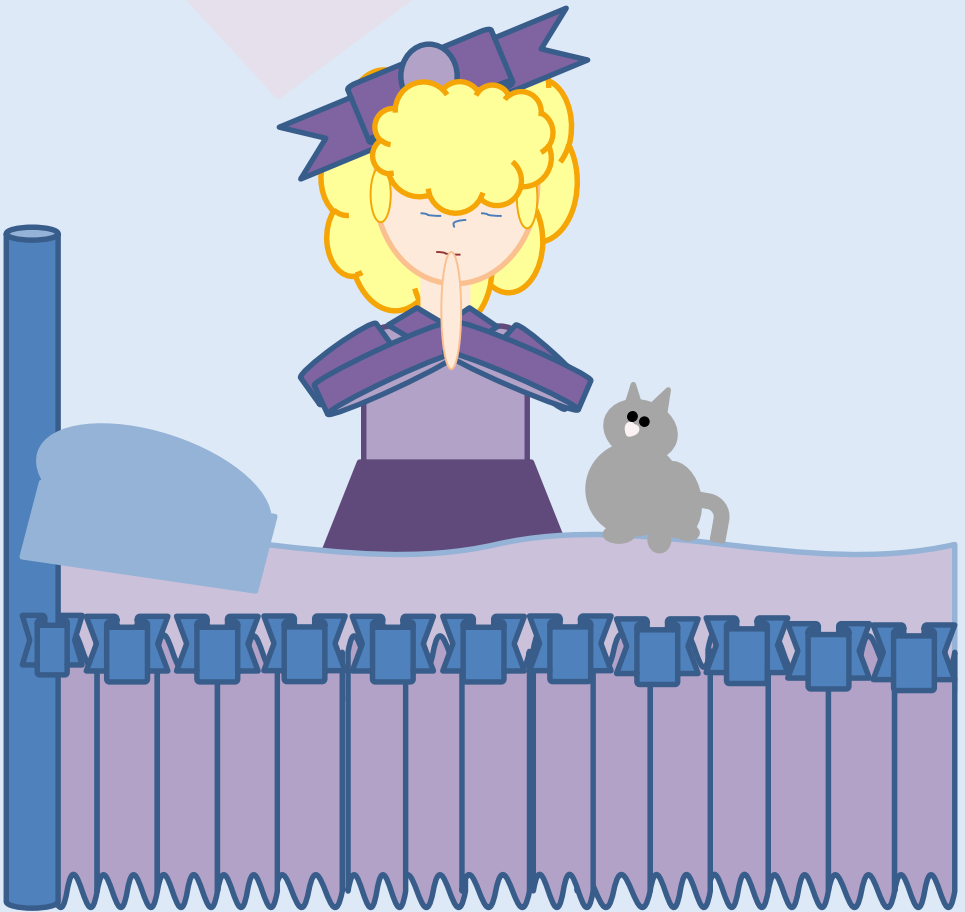

Will you **pray** with me?

For mother and father.

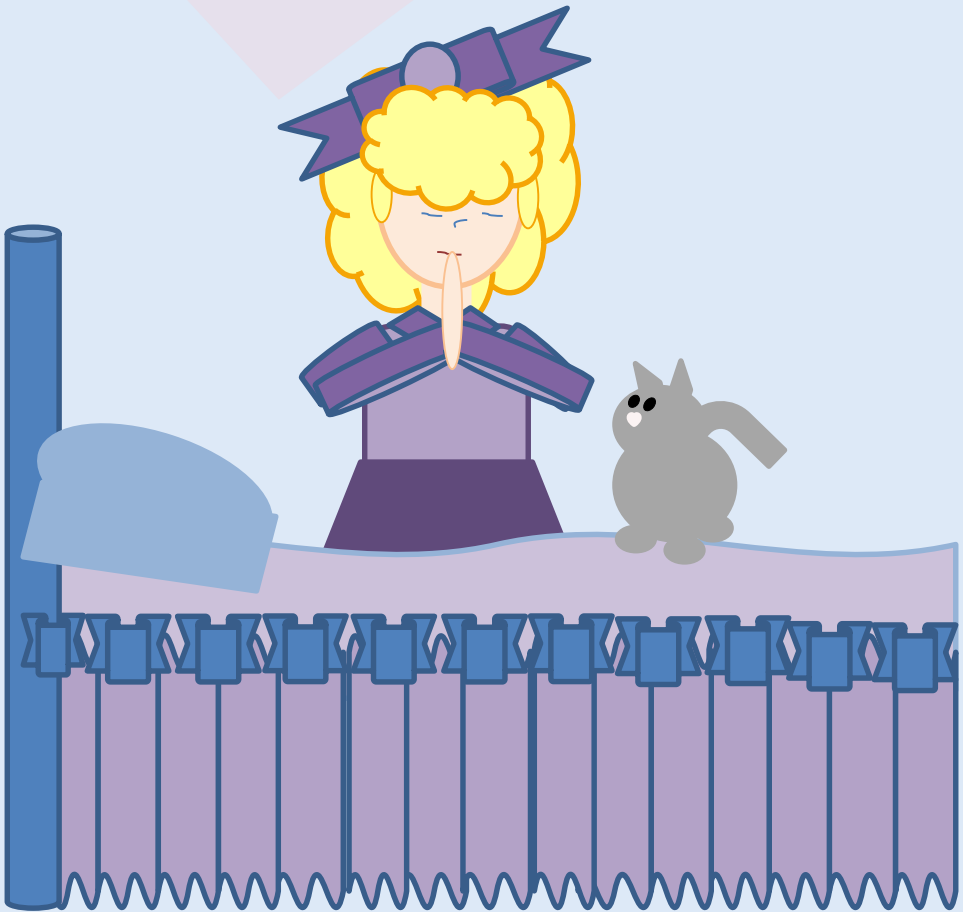

Will you **pray** with me.~

For sisters and brothers.

Will you **pray** with me.~

For my neighbor and yours.

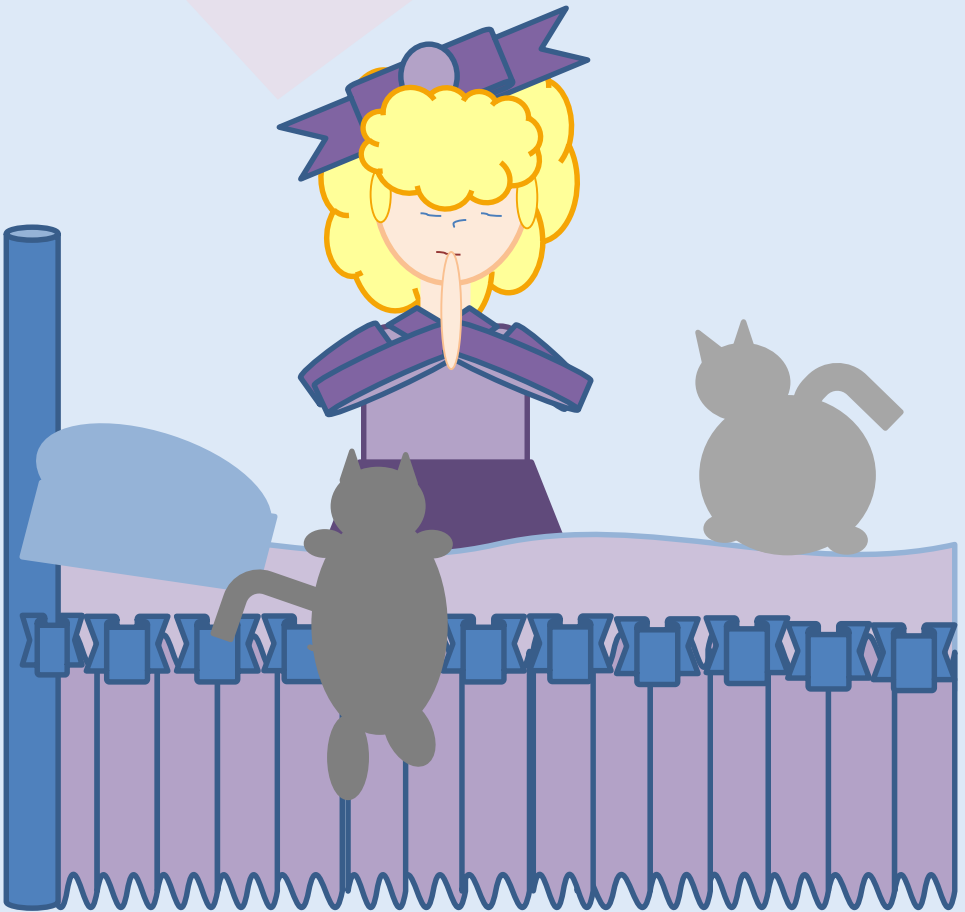

Will you **pray** with me.~

And Thank God.

Will you **pray** with me.~

For rainbows after it rains.

Will you **pray** with me.~

For birds that fly through the sky.

Will you **pray** with me.~

For coloring pages with crayons.

Will you **pray** with me.~

For swings that swing.

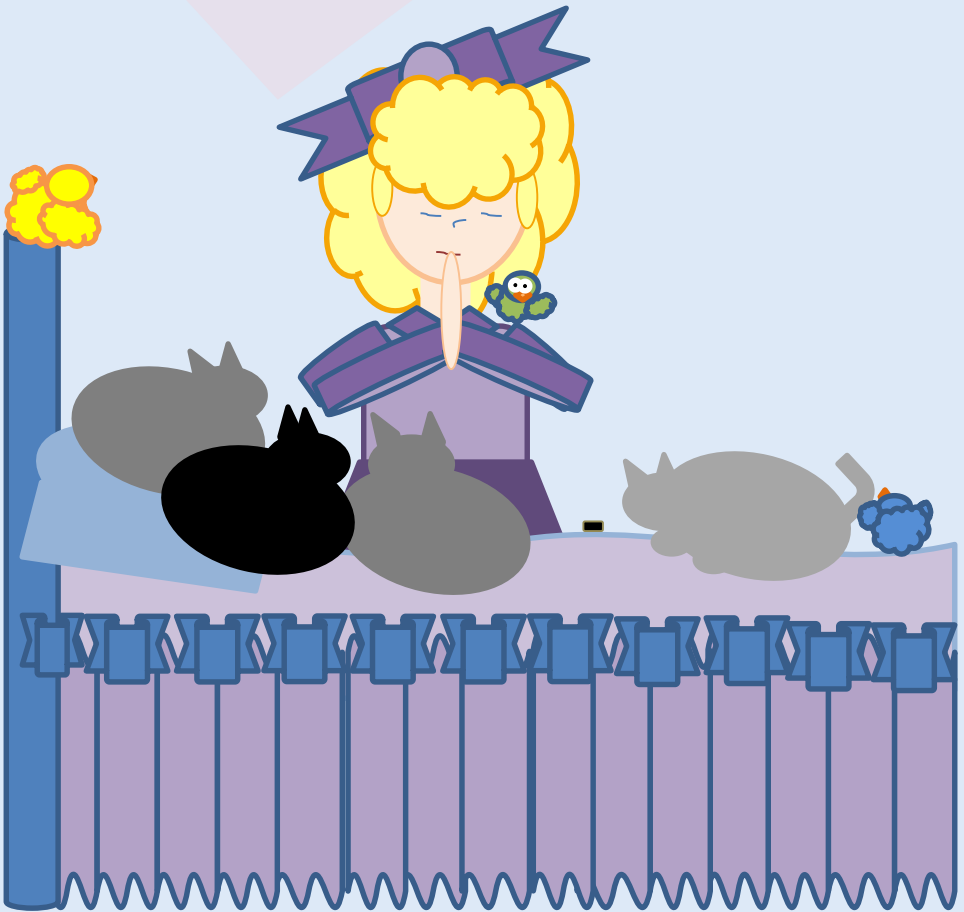

Will you **pray** with me.~

For books to read.

Will you **pray** with me.~

Thank you God for friends that
are fuzzy.

Will you **pray** with me.~

For silly hats.

Will you **pray** with me.~

For cookies and milk.

Will you **pray** with me.~

For toys that are made with love.

Will you **pray** with me.~

For grandma and grandpa.

Will you **pray** with me.~

For splashing in puddles in our boots.

Will you **pray** with me.~

For happy surprises when we open
our eyes.

Will you **pray** with me.~

Thank God for showing us that
you love us.

Will you **pray** with me?

To know that God holds us near
him.

Will you **pray** with me.~

To know that God looks for us
every day of our lives
as we look for God.

Will you **pray** with me.~

To thank God for loving us.

Will you **pray** with me.~

Thank you God for
everything in life.

Will you **pray** with me.~

Thank you God for praying
with me
as I thank God for praying with
you.

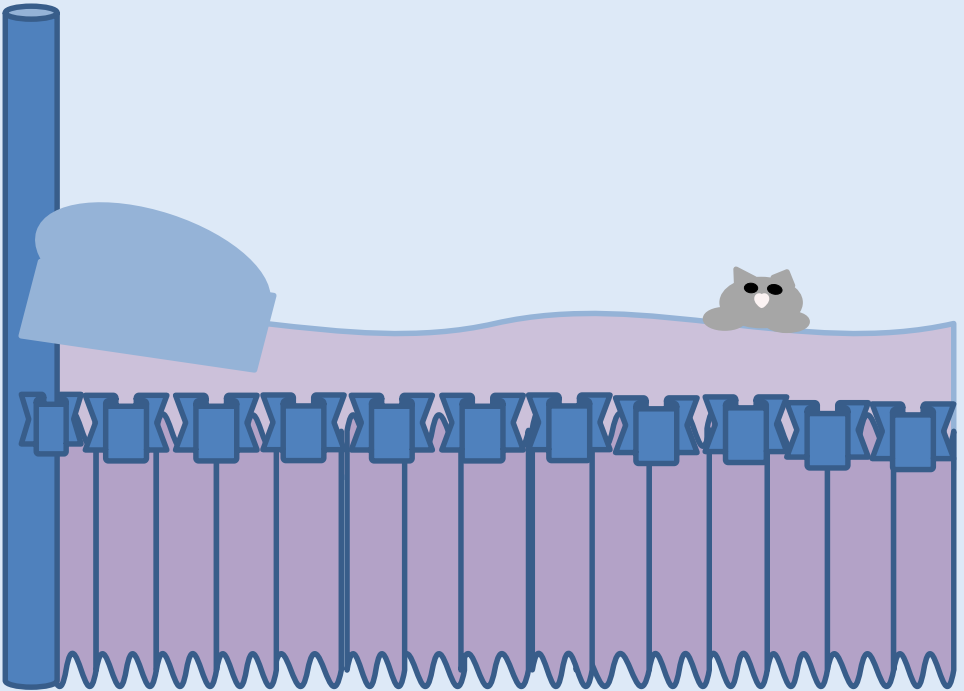

Will you **pray** with me?

Will you pray with us?

We will pray with you!

Will you **pray** with me?

Will you pray with me?
