{ 1 }

Brighter than illumination;

$$\left\{ \begin{array}{c} 2 \end{array} \right\}$$

Petals smoother than glass;

{ 3 }

Yet naturally balanced by nature;

{ 4 }

Beautifully circumference;

$$\left\{ \begin{array}{c} 5 \end{array} \right\}$$

Always perfect in dimension;

$$\left\{ \begin{array}{c} 6 \end{array} \right\}$$

Stemmed with yellow-green with
a yellow-green angels wings;

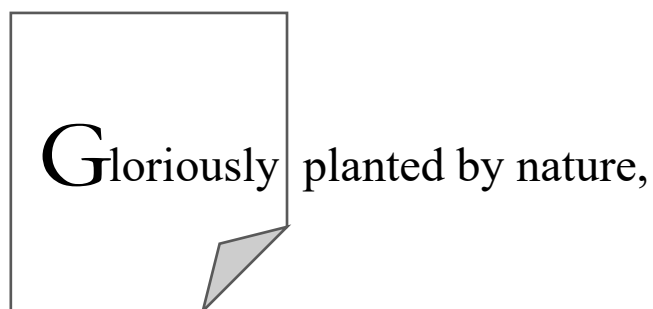

{ 7 }

Held under a chin a reflection of
the sun, to many.

{ 8 }

Heavenly scattered;

{ 10 }

Too many to count;

{ 11 }

As dotted by an excellent
refined painted hand;

{ 12 }

Yellow silk touch to a petal as
to a human touch;

As fragrant to only a few to be
pleased;

{ 14 }

The field to full for many but the
young couple the most pleasing sight.

Nineteen and twenty,

they stood in Aw!

{ 16 }

At the sight;

{ 17 }

Ring had just been placed;

{ 18 }

An elopement of a joyful union;

{ 19 }

Landed them there that *May Day*;

{ 20 }

Pockets inside out;

{ 21 }

Most he could afford;

{ 22 }

The bouquet of the Year.

passing,

motions,

forward,

backwards,

{ 29 }

tiny steps to big steps,

{ 30 }

jumps,

{ 31 }

skips,

{ 32 }

blocks,

{ 33 }

stagnate moments,

{ 34 }

always pushing forward,

{ 35 }

accomplishments,

{ 36 }

failures,

{ 37 }

misguidance,

{ 38 }

awards,

{ 39 }

penalties,

sadness,

{ 41 }

happiness,

{ 42 }

joys,

{ 43 }

tears of passing's,

{ 44 }

death,

{ 45 }

tears of joy,

hopes,

and

dreams that came true,

and,

happy endings.

{ 52 }

50 years celebrated;

{ 53 }

Togetherness and closeness;

{ 54 }

12 to the dozen;

{ 55 }

Crimson in red roses;

{ 56 }

Smooth as a baby's skin to the
touch;

{ 57 }

Stem, forest green with green
angels wings;

Centered among them in an
etched Waterford;

One so small;

{ 60 }

One yellow as in canary in
circumference;

{ 61 }

One stemmed with yellow-
green with its yellow-green angels
wings;

Gentle memory;

{ 63 }

Of the beginning;

{ 64 }

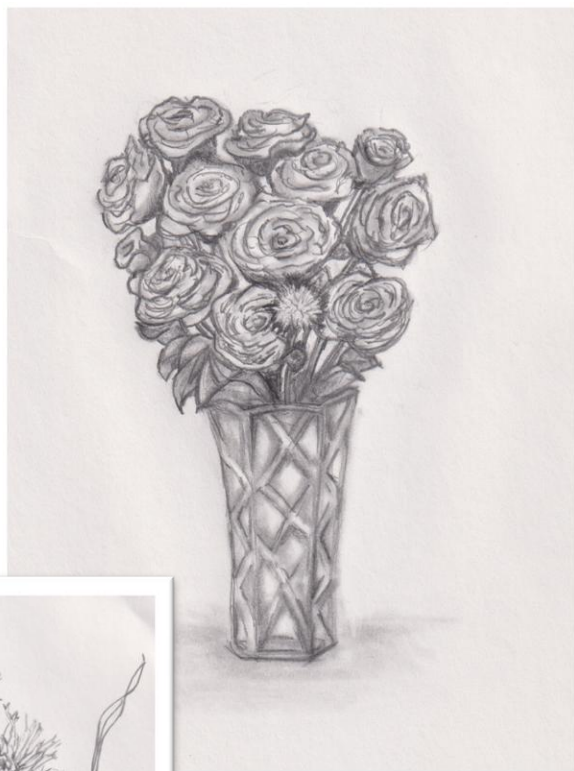

From a field of dandelions to a
vase of roses. ୧୫୫
